

Gold Banking Services for Central Banks and Other Official Institutions

Jaime Cortina, Head of Treasury

LBMA Global Precious Metals Conference, October 2025

Gold Banking Services at the BIS

As part of the overall mission to promote financial stability and international monetary and financial cooperation, the BIS supports clients by offering a wide range of gold banking services:

- **Gold safekeeping and settlement:** Secure storage and settlement services in London, Berne, and New York.
- **Gold purchases and sales:** Spot, outright forwards, swaps, and options.
- **Gold investments:** Deposits, swaps and dual currency deposits.
- **Gold upgrading:** Services for enhancing the quality of gold holdings.
- **Gold location exchange:** Facilitating transfers between locations, such as loco London, Berne, or New York.

We do not accept as a rule deposits from, or provide financial services to, private individuals or corporate entities.
