SPONSOR & EXHIBITOR PACK

THE EVENT OF THE YEAR FOR THE PRECIOUS METALS COMMUNITY

The Global Precious Metals Conference, jointly hosted by LBMA and LPPM, has been running for over 23 years. Spanning over 20 cities across 17 countries, it is widely regarded as the event of the year for the precious metals community.

3

Days

35+

Speakers

250+

Companies

700+

Professionals

The Conference continues to grow, and last year's Conference in Miami boasted an attendance of over 770 delegates.

The Conference has become an established event for knowledge exchange and networking, uniting key market participants from around the globe under one roof for three days.

“Where else in the world can you meet all your major clients in three days?” Ruth Crowell, LBMA CEO.

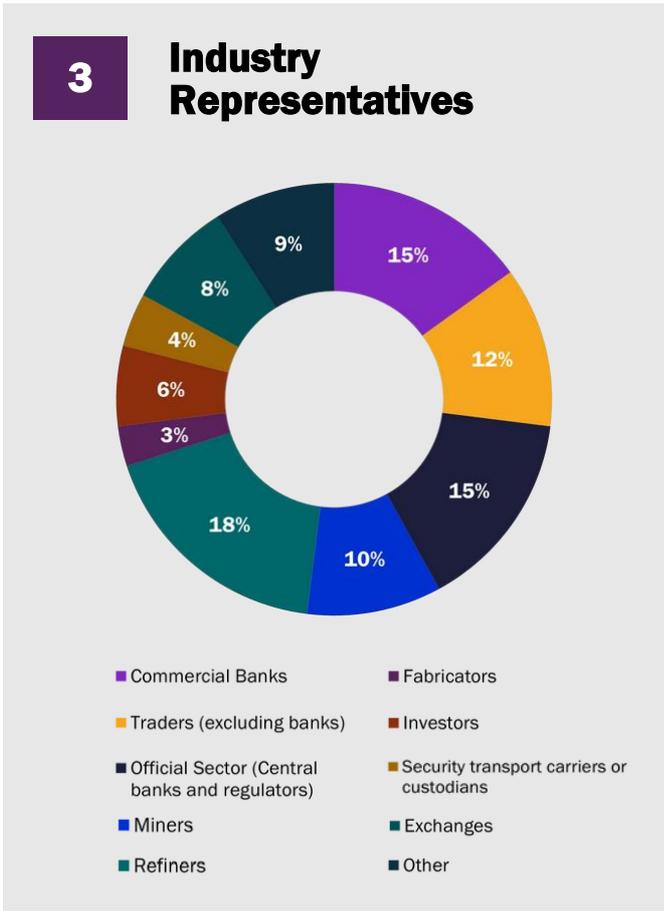

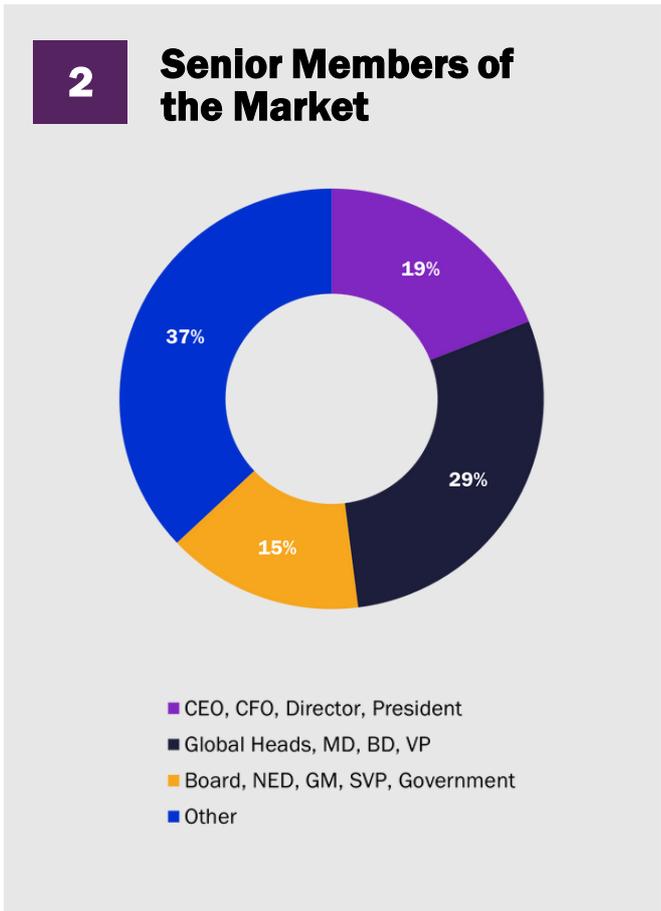

Keynote Speaker: David McWilliams,
Economist (Conference 2023)

Who You Will Meet

Wide Market Industry Participation

1 Global Attendees

About LBMA

LBMA is the pre-eminent standard-setting body for the global wholesale market for precious metals.

Our mission is to ensure the highest levels of leadership, integrity and transparency for the global precious metals industry by setting standards and developing market services.

LBMA plays a key role on behalf of the global precious metals market to ensure business integrity, by advancing standards, acting as a voice and champion for the market, and developing market solutions.

About the LPPM

The London Platinum and Palladium Market is a key institution in the global precious metals market, overseeing the trading of platinum and palladium in London. Established in 1987, the LPPM serves as a pivotal platform for market participants, including banks, refiners, fabricators, and brokers, facilitating transparent and efficient trading practices.
