### AGREEMENT

We confirm our order for the Reference Materials described above and we agree to pay the LBMA in advance for the Reference Materials.

We understand that there is no additional cost in respect of the contained metal but that the cost of shipping will be added to the invoice.

**We agree to the following disclaimer:**  (Please tick).

The LBMA, the Project Steering Committee, the Manufacturers and the laboratories involved in the chemical analysis of the Reference Materials have used their best endeavours to ensure that the Reference Materials are homogeneous in respect of the contained elements and that their concentrations are accurately determined. However, we recognize that there can be no absolute guarantees in relation to these parameters. We therefore absolve the LBMA and the companies participating in the project from any responsibility if the Reference Materials fail to meet the specifications described in the Certificate of Analysis.
