ELAC user license costs include:

- Access to the ELAC portal
- Self-Assessments and market practices sessions
- Personal Accreditation Rating sessions with PAR scores
- Adaptable PAR sessions measuring understanding of all Codes relevant to your organisation
- Reporting to prove adherence to management and regulators

Whilst ACI aims to provide your organisation with access and a means to attest and adhere through learning solutions, specifically geared for Financial Market participants, we understand that your organisation is a distinct entity and may have some more bespoke requests.

ACI is more than happy to discuss these requirements to ensure that your organisation meets internal and external regulatory requirements specific to its needs:

- Combinations of the above solutions tailor made to suit your organisations specific requirements
- Assistance to include your organisations internal codes of conduct in the learning portal for its staff
