Disclosure Guidance Consultation Response

Date: Consultation closed 19 September 2025

Respondent: Open Supply Hub

Organisation's Role in Gold Supply Chain: Civil Society/NGO

Other (please specify below):

To make this actionable, it is critical that the specific data points and format for disclosure be clear and consistent. There are best practices in the apparel sector for instance:

<https://transparencypledge.org/the-pledge/>

We're happy to share other best practices we've learned at OS Hub. But if the data is messy, inconsistent, and hard to find, the impact of the disclosures will be minimized.
